

The Cooper Gallery story – Brian Wildsmith exhibition

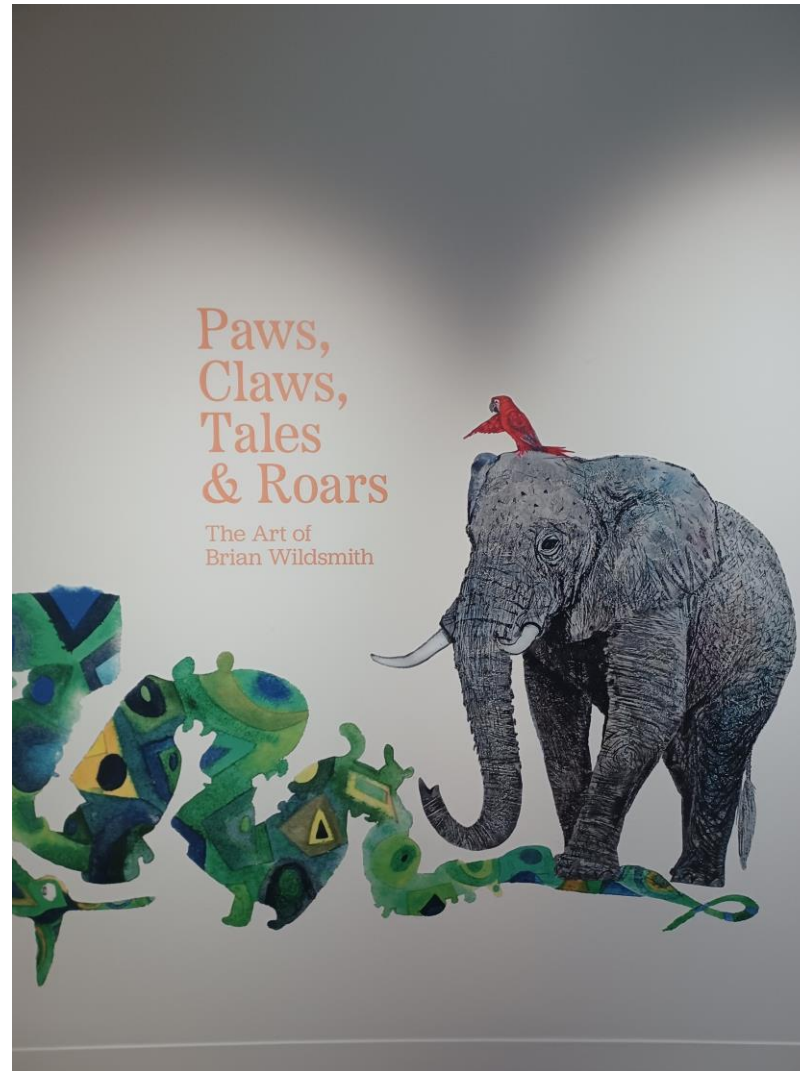

The Cooper Gallery is an art gallery in Barnsley Town Centre

This means it is a place where I can enjoy art, eat in the café and spend time with family and friends in a relaxed and calm setting.

When I visit now, there is an exhibition on
'The Art of Brian Wildsmith'

I can look at the art

I can spot the illustrated moles around the room and do the activities they suggest.

I can watch videos
and read books

I can explore Brian's Wild Wood upstairs in the Sadler Room

I can look at children's artwork from local schools

Most of all The Cooper Gallery is a place where I can learn about art, feel safe and have fun with family and friends.
